## VOLUNTEER INTERESTS (✓all that apply)

Put the “share” in ShareCare and consider becoming a volunteer. Volunteers are one of the main reasons ShareCare is so successful. Members find volunteering a rewarding experience that provides enjoyable social opportunities. The program, designed to fit around busy schedules, makes it possible for anyone to participate conveniently. Volunteers register with RSVP through the United Way, with services coordinated through the ShareCare office. You will be asked to volunteer for ShareCare only, unless you indicate otherwise.
